TRADE						
1.	Gender Dimensions of Trade Facilitation Agreement in BBIN: Case of Women-led/Managed/Owned Micro, Small and Medium Enterprises www.cuts-citee.org/gdtfa/	Department for International Development, UK	Identifying existing barriers that limit women entrepreneurs to access opportunities to engage in economic activities, particularly in trade; and creating awareness on gender-inclusive trade facilitation among Bangladesh, Bhutan, India and Nepal (BBIN) and suggesting country-specific policy recommendations in favour of women responsive trade facilitation agreement (TFA) in particular, and trade policy, in general for enhanced participation of women in trade and trade-related activities.	Awareness among women entrepreneurs (existing and potential) in BBIN on gender-responsive TFA and its benefits to their economic empowerment in particular and of entire sub-region in general; and more participation of women in trade and trade-related activities in BBIN.	GBP568,984	10/18-09/20

No	Name	Funding Agency	Objective	Expected Outcome	Budget	Duration
2.	Trans-boundary Rivers of South Asia (Year 3)	Oxfam	Improved policies and practices of governments that protect the rights of river basin communities to water resources; improved policies and practices of the private sector and other actors that respect the rights of river basin communities to water resources; and river basin communities' increasingly influence in transboundary water governance policies and processes.	Government policies and practices in water resources management are more inclusive of community concerns and meet national and international; practices of the private sector respect community access to water resources actively contributing to reduce conflict; and local communities have more secure access and control over their water resources.	€55,815	10/19-06/20
3.	Enabling a Political Economy Discourse for Multi-modal Connectivity in the BBIN Sub-region https://cuts-citee.org/enabling-a-political-economy-discourse-for-multi-modal-connectivity-in-the-bbin-bangladesh-bhutan-india-nepal-sub-region/	Department for International Development, UK	Create an enabling environment for a political economy discourse on multi-modal connectivity in the BBIN sub-region.	Comprehensive understanding of political economy challenges of initiating multi-modal connectivity initiatives in the BBIN sub-region; better understanding of stakeholder concerns and costs from multi-modal connectivity initiatives, with particular reference to local economic development parameters; and identification of critical and prioritised infrastructure needs to enable multi-modal	GBP560,510	01/20-12/21

No	Name	Funding Agency	Objective	Expected Outcome	Budget	Duration
				connectivity in the BBIN sub-region.		
4.	Convergence between India's Trade and Industrial Policies	Department for Promotion of Industry & Internal Trade, Ministry of Commerce & Industry	Review important components of both trade and industrial policies, and other relevant policies, and evaluate their elements of convergence (and divergence); identify institutional requirements for successful design and implementation of trade and industrial policies and also to analyse the feasibility of India's industrial policy elements under today's international trade rules.	The study will result in a handbook, which will help relevant policymakers in taking specific measures for attaining the objectives of the trade and industrial policies of India.	INR1,904,600	03/20-08/20
5.	Unlocking Trade Potential of Women in the Trans-boundary Landscapes of the Hindu Kush Himalaya: <i>Building resilience to shocks and vulnerabilities</i>	International Centre for Integrated Mountain Development (ICIMOD)	Strengthen women's roles in trade – both in terms of access and benefits – within ICIMOD's transboundary landscapes (TLBs), with particular emphasis on building their resilience to shocks and vulnerabilities.	Understanding the formal and informal trade happening in the TBLs with special focus on the engagement of women; identifying shocks and vulnerabilities, including the impact of COVID-19; and proposing policy recommendations to enhance their resilience to shocks and vulnerabilities.	INR1,500,000	07/20-12/20

No	Name	Funding Agency	Objective	Expected Outcome	Budget	Duration
6.	Border Haats between India and Bangladesh as a tool to reduce informal cross-border trade of agricultural commodities https://cuts-crc.org/border-haats-between-india-and-bangladesh-as-a-tool-to-reduce-informal-cross-border-trade-between-the-two-countries/	Department for International Development, UK	Improve livelihood prospects of people, particularly women, living near the border areas of India and Bangladesh through the establishment of border haats as tools to reduce informal cross-border trade of agricultural commodities.	Provide country-specific and gender-inclusive evidence on the prospects of establishing border haats as a tool to reduce informal cross-border trade of agricultural commodities to support the work of BBIN governments to contribute to the TFA; and create a capacitated group of stakeholders who will be aware of the prospects of establishing border haats as a tool to reduce informal cross-border trade of agricultural commodities among BBIN among a diverse set of stakeholders including women traders.	GBP328,639	10/18-09/20
REGULATION
